RE: "INSPECTOR"
(Ms. Susan Sloniker)

Dear, Ms. Sloniker

I am responding to a code of ordinances at my property at 3218 & 3220 N. 12th ST. I am aware of the repairs that need to be fix. Some time ago, I hired a carpenter to do the repairs for me. But unfortunately, he took ill and passed. Since then, I have been unable to hire someone else. But at this time I am in the process of trying to find another contractor to correct these deficiencies. Most of the violations have been corrected and raised to a satisfactory level. Please bear with me at this time. It is very hard to get things done from my position. But I will be trying to rectify this situation as soon as possible. So please be patient with at this time. I'm Thanking you in advance and look forward to working with you on this matter.

These are some of the interior repairs that have been completed. As I have informed you: Last year: #214-27, 275-32-3-h-3-a, 275-33-3-a, 275-62-3, 275-62-2, 275-62-2, 275-53-2, 275-32-3-h-3-a, 275-33-3-a, 275-33-3-a, 275-33-3-a: As I stated above, I'm in the process of hiring a contractor at this time. To repair the remaining violations. Thanks again for your patient and your concerns.

Thank you
