

February 11, 2015

Honorable Joe Davis, Sr.
Alderman, 2nd Aldermanic District
Room 205, City Hall

SUBJECT: 2nd ALD. DIST. - FILE #141592
INSTALL STOP SIGNS ON NORTH 62nd STREET
AT WEST FAIRMOUNT AVENUE

Dear Alderman Davis:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that a sight obstruction exists on the southwest corner of the intersection in the form of a pine tree that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

c: City Clerk, Public Safety

February 11, 2015

Honorable Tony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14TH ALD. DIST. - FILE #141592
INSTALL ALL-WAY STOP ON SOUTH CLEMENT AVENUE
AND EAST POTTER AVENUE

REMOVE STOP SIGNS ON EAST POTTER AVENUE
AT SOUTH CLEMENT AVENUE

Dear Alderman Zielinski:

This is in response to your request on behalf of local residents to install the above-captioned traffic control restriction.

Our traffic engineering staff has investigated this request and found that the intersection has not met the warrants to install the requested all-way stop control at the intersection of South Clement Avenue and East Potter Avenue. However, in compliance with your request, legislation will be prepared for consideration at the next Public Safety Committee meeting.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
