Subject: Bay View 5-acre lot

I have lived just to the south of this lot (Conway and Logan) for nearly 8 years. Nearly every window in my home faces this lot, as well as my porch. I would absolutely hate to see this land developed into more housing. Let's keep at least one piece of land in this city free from shoebox condos and apartments that have a shiny finish but are horrendously overpriced.

I cannot attend the community meeting on 9/6, but wanted to express my support of this land being preserved, not developed.
