RE: "Title Only" Grant
Resolution

Dear Mr. Zielinski:

This is to provide you with background information on the grant resolution that the Health Department would like to be introduced:

Racial and Ethnic Adult Disparities in Immunization Initiative - This is a new funded by the Centers for Disease Control through the State of Wisconsin Division of Health and Family Services. The goal of the grant is to increase and improve influenza and pneumonia vaccination rates for adults 65 years of age and older in African American and Hispanic communities.

As always, thank you for your consideration of this "title only" resolution. The file will be filled as soon as possible.

Sincerely,

Janet Nell
Administrative Specialist-Sr.
