

January 16, 2008

Alderman Robert Bauman
Alderman, 4th Aldermanic District
Room 205, City Hall

SUBJECT: 4TH ALDERMANIC DISTRICT – FILE #071184
INSTALLATION OF A STOP SIGN EASTBOUND RIGHT TURN
BYPASS ON WEST CLYBOURN STREET AT NORTH 6TH STREET

REMOVE YIELD SIGN EASTBOUND RIGHT TURN
BYPASS ON WEST CLYBOURN STREET AT NORTH 6TH STREET

Dear Alderman Bauman:

Due to the geometrics of the right turn bypass on the southwest corner of the intersection of West Clybourn Street and North 6th Street, there is a need to change the present yield control to a stop control.

We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer

c: City Clerk, Public Safety

January 16, 2008

Honorable James A. Bohl, Jr.
Alderman, 5th Aldermanic District
Room 205, City Hall

SUBJECT: 5TH ALDERMANIC DISTRICT – FILE #071184
INSTALL NO TRUCKING 3 TONS OR OVER ON
NORTH 109TH STREET AT WEST MILL ROAD SOUTHBOUND

Dear Alderman Bohl:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since this street is strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Very truly yours,

Jeffrey S. Polenske, P.E.
City Engineer
