**Previous Council File No.**

**Project/Program Title:** Wisconsin State Funding Opportunities for Local Public Health Agencies and Tribal Health Centers

**Grantor Agency:** Wisconsin Department of Health Services

**Grant Application Date:**

**Anticipated Award Date:** 5/18/2020

**Please provide the following information:**

**1. Description of Grant Project/Program (Include Target Locations and Populations):**

This grant supports the Health Department response to COVID-19. Specifically, state allocation of CARES funds are designated to support the following capability domains: Incident Management for Early Crisis Response; Jurisdictional Recovery; Information Management; Countermeasures and Mitigation; Surge Management; Biosurveillance.

**2. Relationship to City-wide Strategic Goals and Departmental Objectives:**

The COVID-19 pandemic is a public health crisis. Public health and the City of Milwaukee Health Department are at the forefront of the response for the City of Milwaukee and its' residents. Ensuring equitable access to emergency public information and risk communication, risk assessment, testing, comprehensive and timely contact tracing, nonpharmaceutical interventions, quarantine and isolation support, and a robust plan for the future is essential as this pandemic is expected to continue throughout 2020 and beyond.

**3. Need for Grant Funds and Impact on Other Departmental Operations (Applies only to Programs):**

The Health Department requires funds to scale up services related to all aspects of the COVID-19 emergency response. Sustainable testing and surveillance, contact tracing, isolation and quarantine, and eventually moving toward the goal of mass vaccination to stop the spread of COVID-19 requires a significant increase in workforce to effectively address this ongoing pandemic.

**4. Results Measurement/Progress Report (Applies only to Programs):**

Metrics and progress reports related to the COVID-19 response this grant supports include:

- Number of risk assessments performed
- Documentation of Emergency Operations Center activities
- Plans for Personal Protective Equipment (PPE) recommendations, procurement, and utilization
- Outreach activities for COVID-19 information sharing and dissemination
- Number of people served at isolation facilities
- Variety and type of services provided at isolation facilities
- Number of place-based testing events, sector involvement and correlating data

**5. Grant Period, Timetable and Program Phase-out Plan:**

Grant period extends 4/1/2020-3/31/2021

**6. Provide a List of Subgrantees:**

N/A

**7. If Possible, Complete Grant Budget Form and Attach.**
