Property 1501 N. Marshall St. Graham Row
Description of work Install a PVC ventilation pipe at the south side of the property. The pipe will be painted to match the color of the existing brick.
Date issued 6/12/2019 PTS ID 114770 COA: hvac

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines. The following conditions apply to this certificate of appropriateness:

If possible, the new vent pipes should be located behind an existing shrub. If the proposed location cannot be avoided, a new shrub must be planted in front of the vents to limit their visibility.

All work must be done in a craftsman-like manner, and must be completed within one year of the date this certificate was issued. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations. If you require technical assistance, please contact Historic Preservation staff as follows: Phone: (414) 286-5712 E-mail: hpc@milwaukee.gov.

If permits are required, you are responsible for obtaining them from the Milwaukee Development Center. If you have questions about permit requirements, please consult the Development Center's web site, www.milwaukee.gov/build, or call (414) 286-8210.
