To the Public Works Committee

Subject: Common Council Resolution File Number 090415

Dear Honorable Members:

Returned herewith is the Common Council Resolution File Number 090415, granting a special privilege SVC of Wisconsin Ltd to install and maintain two sculptural chairs in the public right-of-way for the premises at 1247 North Water Street.

Applicant is desirous to maintain two sculptural chairs in the public right-of-way as a means of drawing attention to its establishment. The chairs, which are constructed out of metal, are about 5 feet long, 4 feet wide and 7 feet tall. They are located in the variable width, south sidewalk of East Knapp Street centered about a point approximately 12 feet west of the westline of North Water Street and 5 feet north of the southline of East Knapp Street. It should be noted that the sculptural chairs do not impend pedestrian traffic along East Knapp Street.

We are not aware that the presence of said chairs will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said chairs to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works

Art Dahlberg, Commissioner  
Department of Neighborhood Services
