Total	**120**	**30**	**6**	**22**	**5**	**133**	**135**	**61**	**10**	**41**	**4**	**82**	**5**	**11**	**151**	**816**

Note: Because some housing units receive assistance from multiple programs, the table contains duplicate records. As a result, the totals are not reflective of the total housing units for the 10,000 Homes count. In addition, because not all homes that receive assistance through the above programs are counted toward the 10,000 Homes count, the program totals in this table will not necessarily match the totals reported by individual programs.
