Honorable Tony Zielinski
Alderman, 14th Aldermanic District
Room 205, City Hall

SUBJECT: 14th ALD. DIST. - FILE #160086
INSTALL STOP SIGNS ON WEST OHIO AVENUE
AT SOUTH 9TH STREET

REMOVE YIELD SIGNS ON WEST OHIO AVENUE
AT SOUTH 9TH STREET

Dear Alderman Zielinski:

This is in response to a request we received from a local resident to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on all the corners of the intersection in the form of bushes and a pine tree that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

SUBJECT: 13th ALD. DIST. - FILE #160086
INSTALL NO TRUCKING 3 TONS OR OVER ON
WEST UNCAS AVENUE AT SOUTH HOWELL AVENUE
WESTBOUND

Dear Alderman Witkowski:

This is in response to your request on behalf of a local resident to install the above-captioned traffic control restriction.

Our Traffic Engineering staff has investigated this request and found that since this street is strictly residential and trucks are using it as a short cut, we recommend that heavy trucks be prohibited.

We will prepare the necessary legislation that will be heard at the next Public Safety Committee meeting so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
City Engineer

Honorable Robert G. Donovan
Alderman, 8th Aldermanic District
Room 205, City Hall

SUBJECT: 8th ALD. DIST. - FILE #160086
INSTALL STOP SIGN ON WEST LEGION STREET
AT SOUTH 24TH STREET

Dear Alderman Donovan:

This is in response to your request on behalf of local residents to install the above-captioned traffic control.

Our traffic engineering staff has investigated this request and found that sight obstructions exist on the northwest and southwest corners of the "T" intersection in the form of hedge and a fence that would reduce the safe approach speed and thereby warrant the above-captioned control. We therefore, in the interest of public safety, recommend the installation of the stop control.

We will prepare the necessary legislation for the next Public Safety Committee meeting, so that you may support it to final passage.

Sincerely,

Jeffrey S. Polenske, P.E.
