Re: Insuring City Buildings and Other Property
with the Local Government Property Insurance Fund

Dear Council Members:

Enclosed is a resolution directing that the proper city officials insure the City's buildings and other property with the Local Government Property Insurance Fund. We ask that this resolution be introduced and referred to the appropriate Committee for consideration.

We were recently contacted by the Local Government Property Insurance Fund asking us to provide them with a resolution that authorizes the City's buildings and other property to be insured with the Fund. The Local Government Property Insurance Fund is a division of the State of Wisconsin, Commissioner of Insurance, and has for many years provided property insurance coverage to local government entities throughout the State of Wisconsin at a cost-effective rate. The Fund was recently audited and it was recommended that an updated resolution authorizing coverage be placed on file with the Fund.

Very truly yours,

GRANT F. LANGLEY
