### 30% Payment Calculation - Enforced Suspensions

As of this date, you have an outstanding balance due on the following cases which involve a driver's license suspension. For certain cases, the driver's license suspension may already be completed, as indicated by an \* after the suspension date; however, this does not satisfy the outstanding balance.

You may be eligible to have any current suspensions terminated and be granted more time to pay the total balance. This may require that you pay 30% of the balance due on all cases before the judge approves this arrangement.

Note: The minimum payment is \$20.00 or 30%, whichever is greater.
