Subject: *Introduction of two resolutions related to the application, acceptance and expenditure of the 2004 Metropolitan Medical Response System and the 2005 Wisconsin Funding Assistance Program grants.*

Dear Honorable Members:

We are submitting two grant-related resolutions for introduction at the October 11, 2004, Common Council meeting. These resolutions will allow the Milwaukee Fire Department to apply, accept and expend two continuing grants; the 2004 Metropolitan Medical Response System (MMRS) and the 2005 Wisconsin Funding Assistance Program grant.

The MMRS grant is essential to increasing the Fire Department's level of preparedness to respond to an act of domestic terrorism as well as other large scale events involving multiple casualties. The Wisconsin Funding Assistance Program grant is utilized by the department to enhance the provision of emergency medical services in the community.

We are requesting this file to be introduced by title at this time and will provide the detailed resolution and fiscal note for this purpose at a later date.

If you have any further questions regarding this matter, please contact either myself or Business Finance Manager Sandra Rotar at extension 5281.

Respectfully submitted,

WILLIAM WENTLANDT
Chief
