To whom it may concern,

I am writing to let you know that I strongly support the Climate and Equity Plan for Milwaukee. I grew up in southeastern Wisconsin and have lived in Milwaukee since I was 17. I am a nurse in the community, so I understand the impacts an unhealthy climate has on people. I think Milwaukee needs to be a leader for climate health in our state. I recently attended a conference in Pittsburgh for the Alliance of Nurses for Healthy Environments, and I was inspired by things other communities are doing.

Thank you!

Warmly,
