I, Leonard Bryant am appealing the automotive damages denial as I am an innocent by stander who was dropping off an associate in the area when the incident occurred. The police report clearly states officer observed suspect Melvin Green making a hand to hand exchange with another male subject **in front of 2514 N. 39<sup>th</sup> street. Not standing by my truck. Also arresting officer Eric Rom stated** in the police report he, observed Green look up at there unmarked squad and appear nervous as he walked northbound, on the side walk **towards my truck.** Report clearly states, officer observed subject pulling something from his pocket as he approached the rear passenger side of truck where he throw the package next to rear tire as he attempted to walk away. Therefore the hand to hand exchange was never at my truck. Officer attempted to subdue Green and during the struggle he pushed into my automobile on numerous occasions resulting in damages. During the struggle I attempted to move my truck to prevent damages I was told by officer Eric Rom to turn my car off. Once Green was subdue. I was placed in the back of a officers car and officer Eric Rom ,David Bettin and there sergeant brought Green to officers car where I was sitting and asked Green did he know me.

RONALD L. ...  
CITY OF MILWAUKEE  
2007 MAR 22 PM 3:25  
CITY OF MILWAUKEE

Green stated he DID NOT know me nor DID I KNOW HIM nor did I have any contact with this young man at all.

Then\_the\_sargeant\_allowed\_me\_to\_look\_at\_my\_damaged vehicle and\_he\_filled\_out\_a\_damage\_report\_and\_took Several\_pictures making the statement to me “In most cases the state does not pay damages”. I guess receiving this denial letter, supports he was right. Damage an innocent Persons property and the state does not pay. I am requesting that the denial of my claim for damages to my truck be reconsidered. As I am that innocent by stander who had no involvement with the arresting incident.

Thank you for reconsidering

Just to add I wanted to stress I Leonard Bryant was dropping off a friend on 10/25/06 on North 39th Street.

As I parked my vehicle I noticed a young man standing on the sidewalk whom I don't know nor never seen before. This person

didn't approached my vehicle or have any contact with. As I parked my vehicle two (2) officers pulled in front of my vehicle got out and attempted to arrest the person standing on the sidewalk (Green)

The first officer that tried to subdue (Green) pushed him against my vehicle as he tried to arrest him. I rolled down my window and stated (Please Not Against My Vehicle).

At that point I attempted to move my vehicle the officer instructed me to turn my vehicle off so I did. In his continued struggle with (Green) they moved to the rear of my vehicle which resulted in damage to the rear passenger back door of my vehicle.

## Supplement

I turned our unmarked squad N/B on to the 2500 block from W. Wright St., and observed a b/m subject known by me as, Melvin Green Jr., 12/04/87, make a hand to hand exchange of an unknown item, with an unknown b/m subject in front of 2514 N 39th St. I observed Green look up at our unmarked squad and appear nervous. Green immediately started walking N/B on the side walk reaching into his right front pants pocket with his right hand.

I quickly drove up next to Green and observed him remove a clear plastic baggie from his right pants pocket, which contained a greenish/ brown leafy substance, (suspected Marijuana). Green stepped next to a 1995, Chevy, Tahoe, purple in color, near the rear passenger tire. I stopped our squad and exited. I ran to the rear of the Chevy and observed Green discard the suspected Marijuana to the ground next to the rear passenger tire of the parked Chevy.

Just as I observed Green, he stood up were he had been kneeling and started to back away reaching his hands into his coat pockets. I ordered Green to stop and grabbed his arms. I immediately turned Green around and grabbed the rear waistband of Greens pants. Green immediately tried reaching for his front waistband with his left hand. I grabbed Green's hand and ordered him to stop. Green pulled his left arm forward and threw his left elbow back as he turned into me striking me in the left shoulder then the left side of my neck.

Green then started running W/B across the street as I held onto his pants preventing him from getting away. I stopped Green in the middle of N. 39th St. and grabbed him over his left arm across the front of his chest and attempted to decentralize him to the ground behind me. As I turned and directed Green to the ground, Green and I both struck the 1995, Chevy, still parked at the curb. I struck the rear right door of the Chevy with the left side of my head while Green hit his shoulder putting two dents on passenger side rear door of the Chevy.

After striking my head I briefly became dazed. Officer Bettin stated he observed Green run around to the passenger side of the Chevy while I was stumbling behind Green still holding his waistband.

I regained my bearings and directed Green to the ground, still holding his waistband. I ordered Green to stop resisting and place his hands behind his back. Green again threw his left elbow back striking me on the left side of the head knocking me off of him. Green attempted to slide up and out from under me and started standing up. I again decentralized Green to the ground.

Green started thrashing about and grabbed onto my Duty Belt and tried to push me over his head. Having no other target, I gave Green a focus strike to the left side of his head with my right forearm. Green let go of my Duty Belt and fell back to the ground. I tried pulling Greens right arm behind his back and he started sliding out of his coat.

I let go of Greens arm to reposition myself and Green started standing up again. Officer Bettin, who had been covering the three subjects in the auto Green approached, then came to assist. Officer Bettin and I decentralized Green to the ground, who then grabbed a small tree and used it to stand up again.

Officer Bettin and I once again decentralized Green to the ground still unable to gain control of his arms. Green pulled his arms under him and tried pushing Officers off again. I then had a

moment to remove my OC and delivered a brief burst directly to Greens eye area. Green stated "I'm done...I give up!"

Green stopped for a moment just long enough for Officer Bettin to grab Greens right arm. Green then tried to pull away with his right arm as he attempted to elbow me a third time. I again delivered a brief burst of OC spray to the eye area of Green. Green missed me with his elbow and I was able to gain control of his left arm while Officer Bettin regained control of his right. Green was placed in hand cuffs.

Once in hand cuffs, Green still attempted to kick at Officers and tried standing up. I turned Green face down on the ground briefly ordering him to stop resisting. Green continued to kick and attempt to break free from me for approximately another minute before he gave up.

Green complained to Officers that he couldn't breath do to the OC Spray. Greens eyes were flushed on scene, then Green was conveyed to Aurora Sinai for medical Clearance.

Squad 3E, Sergeant Grubich, took a total of (25) twenty-five photos of the damaged auto, Green, Officer Bettin and myself.
