Subrecipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Subrecipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Subrecipient for the period during which it retains ownership or possession of the property.
 - e. Subrecipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances a-d above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between Subrecipient and its sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

 4. Subrecipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other agreements between the Subrecipient and the administrative agency that made the finding. If the Subrecipient settles a case or matter alleging such discrimination, the Subrecipient must provide documentation of the settlement. If Subrecipient has not been the subject of any court or administrative agency finding of discrimination, please so state.
 5. If the Subrecipient makes sub-awards to other agencies or other entities, Subrecipient is responsible for ensuring that grantees also comply with Title VI and other applicable authorities covered in this document. Subrecipient must have in place standard grant assurances and review procedures to demonstrate that that they are effectively monitoring the civil rights compliance of grantees.
- H. If the amount of the award under this Agreement is greater than \$100,000.00 the undersigned official(s) certifies that to the best of his or her knowledge and belief, that:
1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned or Grantee, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

 3. Grantee shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Background

WHEREAS, the City of Milwaukee has experienced an increase in dangerous driving during the COVID-19 pandemic, with speeding, passing on the right, failure to yield to people crossing the street, and other offenses becoming commonplace amongst the majority of drivers in Milwaukee and further highlighting the inequities experienced by Milwaukeeans of color, in whose neighborhoods are many of the city’s biggest, fastest, and most dangerous streets; and
