To the Honorable, the Common Council

Re: Easement Agreement WA-220A, SA1760A

Dear Council Members:

In 1966, the City of Milwaukee was granted a combined sewer and water easement, WE220 and SE1760, located in Vacated West Scott Street from South 1st Street to South 2nd Street. Allen Bradley Company, LLC, owner of said land, has requested the City's permission to construct steel pipe bollards and a decorative fence consisting of brick piers and wrought iron in the easement area.

We have prepared the attached resolution authorizing and directing the proper City officers to execute the combined water and sewer Easement Agreement WA220A and SA1760A. Allen Bradley Company has requested a fully executed original for their files. Two copies of the Easement Agreement are therefore attached for execution.

We recommend adoption of the attached resolution.

Very truly yours,

Carrie M. Lewis, Superintendent
Milwaukee Water Works
