Dear Mr. Leonhardt,
I am sorry this letter is late, but
it was put in the wrong mail box.
I have learned my lesson and also
did my time. This 30 day suspension
is really hurting me. My rent and
bills need to be paid. I'll have no
where to go and also loose my job.
They will replace me.

I have gone through group and one on
one counseling. I have learned my
lesson and do not drink or drive,
my counseling did a good job for me.
On May 20th I hope so very much
for you to forgive me, I only know
how to hasten. After 33 years it's
very hard to find another job.

Respectfully,

Susan M. Mongese
