Date: 01/30/26
To: Milwaukee Common Council/Licensing Division
From: Agent Christi Berta #30703

It was brought to my attention that a client under our supervision, Milton Madison, has applied for a Personal Passenger Vehicle Drivers Dealer's license from the City of Milwaukee. Client Milton Madison is currently on a parole term that is a life sentence for the offense of 1st Degree Murder.

This letter is to inform you that such a licensure would not be in violation of their rules/conditions of supervision. If circumstances change, we will take measures appropriately, including action that may affect such licensure. We made this decision based in part, on the following information:

A - Residence Stability: Client has maintained residence stability Yes.

B - Reporting History: Client has maintained required contacts with agent Yes.

C - Police Contact: Client has had police contact while on supervision No.

D - Overall level of cooperation: has client complied with referrals and services designed to address criminogenic needs Yes.

****** DCC recommends license not be granted due the following: (check one)**

- * License/employment has a direct nexus to committing offense. _
- * License/employment would have a negative impact on the client based on specific treatment needs.
(HIPPA prohibits the disclosure of specific treatment needs)
- * Sex offenses.

In providing the information within this letter, the Department of Corrections assumes no liability for the Council's reliance on such information.

Sincerely,

P&P Agent
