Subject: Elimination of Innovation Policy Analyst Position by Council Action

Dear Board of City Service Commissioners,

This communication is to inform of the elimination of the Innovation Policy Analyst position formerly within the Department of Administration. On November, 25<sup>th</sup>, 2025 Common Council action passed an amendment to the 2026 Budget eliminating the position. The Innovation Policy Analyst position was filled by an incumbent, Maureen Minning, who was in probationary status, had not previously held CSC status with the City of Milwaukee, and therefore was not eligible for transfer or reinstatement. As a result of the elimination of the position, the incumbent's employment was terminated effective end of day, January 2<sup>nd</sup>, 2026.

If there are any questions, please contact me at (414) 286-3842

Respectfully,

Steven L Mahan  
Administration Deputy Director
