I'm filing this claim for damage to my Ford F-150 truck. Traveling on Vliet between 27th and 20th street I encountered numerous potholes, extensive damage was done to my truck which at the time wasn't noticed because it wasn't something visible. When I took my truck in for service was when the damage was noticed. The damage to my vehicle was done between 2/1/19 and 4/15/19 the times of me using this street are between 7:40 A.M to 8:05 A.M and 11:05 P.M. to 11:15 P.M. I can't give a ~~precise~~ specific time because this was not a blown tire but suspension damage. I am requesting compensation in the amount of \$ 2,334.53 the cost of the repair. Enclosed are repair estimates from 2 separate repair shops. My contact information is as follows
