

To Whom it may concern, 1/23/2000

My name is James Key of Followers to Leaders, we are a group of family and friends that volunteer services of different types in the Harambee ~~Community~~ Neighborhood as well as other parts of the city. I am writing on behalf of Courtney Peterson, a long time family friend and business owner in my neighborhood. She is

attempting to open a store
on the corner of N 20th street
and West Hadley. I believe
~~she~~ ^{she} would be a ~~perfect~~ perfect
asset to an area littered
with crime and violence,
by being an example of a
hardworking family, that supports
positive community ~~activities~~
activities that promote ~~the~~ building
positive relationships with residents.
She and her family have

always supported activities sponsored by followers to leaders, school supply giveaways, donating food and clothing, block cleanups and other things that promote a healthy and a safe environment.

She is a great asset to our community as a neighbor and business owner and I believe it would be the same in any area of our city she chooses to operate

any business of her
choosing. She is up beat
and friendly and it's an
honor having her as a
part of my neighborhood.

Sincerely
James Key
