Hi Linda,

I'm attaching a picture of the envelope my notice arrived in to attach to myfile for the Administrative Review Board of Appeals meeting, because the postmark date is the same as the date in the notice from which I have 24 hours to have the loveseat removed or an order will go to a private company to do it. Of course, it takes more than 24 hours for a piece of mail to reach me, so the suggestion that I could take care of it without having a private company called is meaningless. (The envelope also shows that the PO sent it to Albany, NY first, which explains why I didn't receive it until a week or two later.)

Thanks,

Barb
