Attention Paul Jakubovich:

Dear Historic Preservation Commission,

I am writing in response to the Certificate of Appropriateness for a 2-car detached garage at 2315 E. Ivanhoe Place for William and Susan Berland. I own the property directly to the east of the Berland residence (2221 N. Terrace Ave). The entire east face of the proposed garage structure would border my property completely and would be in full view of one of the most widely used sections of my yard.

Bill and Sue have provided me with samples of the proposed material for the garage and have fully explained their plans. I am in complete support of this project as they proposed it.

Thank you.
