Re: Proposed Address for Eckstein Hall
1215 West Michigan Street

Dear Mr. Polenske:

As you may be aware, Marquette University has announced its intention to construct a new building for its Law School, to be named Eckstein Hall. This building will be located immediately south of vacated West Michigan Street, at the southwest corner of North 11th Street and the former West Michigan Street and across from the Gesu Parish Center. The address of the Gesu Parish Center is 1210 West Michigan Street.

Pursuant to Milwaukee City Ordinances 113-1-4, 113-1-5, and 113-2, Marquette University requests that a resolution be drafted and proposed for consideration by the City of Milwaukee Common Council establishing the address/building number of the future Eckstein Hall as 1215 and establishing West Michigan Street as the private street name for this private way. Marquette University's desired intent is for the City-recognized and official address of Eckstein Hall to be 1215 West Michigan Street. The front entrance to Eckstein Hall will be located facing vacated West Michigan Street (now a private road), and assigning this address will assist visitors in locating the most appropriate access to the building itself.

The legal description of the private road that Marquette University would like named "West Michigan Street"—which legal description includes the centerline of the private road and width of the private road—are included with this letter on a proposed map that shows the location of Eckstein Hall and the private road. Although the Gesu Parish Center is not shown, it is located within Block 251 of Roger's Subdivision.

Please contact me at your earliest convenience if you need any additional information or if you have any questions. In addition, please advance this matter to the Common Council for consideration, and please have the City Clerk send notice to me of Council and Council Committee hearings regarding this matter.

Very truly yours,

Douglas O. Smith
