RE: Recommendation for approval of charter school status for North Point Lighthouse Academy and Transcenter for Youth

At its April 4, 2011 meeting, the Charter School Review Committee determined that two applicants, North Point Lighthouse Academy and Transcenter for Youth met all of its fiscal, operational, and education standards. Attached are the summaries for each of these proposals.

A copy of each application is available in the city clerk's office.

We request that these recommendations be put on the agenda of the Steering and Rules Committee.
