RE: Milwaukee Sister City Relationship with Tarime, Tanzania

It is with great pleasure that I submit to you this letter of intent seeking the approval of a sister-city relationship with the City of Milwaukee, WI and the city of Tarime, in the Mara Region in Tanzania. This letter is on behalf of the many citizens of our community in Tarime, who have come to know and love the city of Milwaukee, and have voted unanimously in favor of the affiliation.

We are well aware of the previous sister-city relationship with Morogoro, Tanzania. We were saddened to hear that the previous affiliation was discontinued due to the lack of accurate information, the lack of proper representation, and a lack of commitment on behalf of some who claimed to have an infrastructure in place to sustain the agreement as well as report back on the ongoing development and growth of the partnership.

Here at Mosorec International Foundation we are not only committed to this initiative, but have verifiable evidence that we have the infrastructure in place for this to be an ongoing, strong, culturally, educationally, and economically beneficial relationship. As we look to the future of this alliance, we envision a growing awareness and appreciation of each other's culture and people. From small beginnings, we hope this partnership will continue for many generations, fostering educational, economic and professional exchanges. We look forward to the limitless possibilities of this relationship.

Although this partnership must begin on an official basis between the governments of our two communities, we see the strength and vitality of this long-term association resting wholly in the hands of our citizen volunteers and participants in both communities. To this end, we have designated a group of men and women to enlist voluntary support in Tanzania and have a similar body of individuals already assembled in the city of Milwaukee, Wisconsin.

We truly hope that the city of Milwaukee's Sister City's Committee will seriously consider the opportunity to partner with our wonderful city of Tarime, in the Mara Region in Tanzania.

We thank you in advance for your hard work, dedication, and perseverance in furthering the cause of uniting a global community, and we eagerly await your decision.

Sincerely,

CHRISTINE R. THOMPSON MOSORE
