To Lynn Schiller,

My name is Mrs. Anna Lohman, I am writting to you about the Wal-Mart project in my neighborhood. I live on 74th off of Main St., and adamantly disapprove of this project to proceed. Wal-Mart wanted this area a few years ago and the neighborhood said NO then, we still say NO now, PERIOD.... I read on Wal-Marts web page that this project will create jobs, but what about the jobs people already have at the supermarkets that are already in this area?? Why not build their supermarket on 43 St. in the Miller Park area?? That is already zoned, why re-zone our area??? What is it that Wal-Mart does not understand what the word NO MEANS????

This area has a high traffic congestion problem during State Fair's 16 days, during which time the neighborhood has to pick up GARBAGE from our front lawns, fight traffic to get onto Main street, not to mention the loudness of Fair goers returning to their vehicle's. We also have heavy traffic durning to evening rush hour when people are returning home from work.

Sincerely

Mrs. Anna Lohman
