A. Abuja, Nigeria

Appearing:

Dele Ojelabi

Dr. Francis Obuseh

Mr. Ojelabi presented. A letter of intent was submitted with Milwaukee Action Network Inc. (MANI) as the local nonprofit sponsor. Abuja was the federal capital city of Nigeria with similar governmental structure to Milwaukee with elected officials. Abuja was also interested in establishing a sister city relationship and have submitted a letter of interest from the Abuja Municipal Area Council. Abuja officials and MANI were aware of the approval process, and Abuja officials were willing to visit Milwaukee. Common interests for mutual exchange were being determined.

Members inquired about existing sister city relationships with Abuja and the activities of MANI.

Mr. Ojelabi replied. Abuja has no sister city relationships presently, was involved with Sister Cities International, was similar to Milwaukee in size and other aspects, and was focused to learn from other cities about sanitation and public infrastructure among other things. MANI was created for the sister city relationship and would serve as an umbrella organization to facilitate activities with other local Nigerian organizations and groups.

Member Durtka moved approval of the letter of intent and to extend an application to establish a sister city relationship with Abuja, Nigeria with Milwaukee Action Network Inc. as the local nonprofit sponsor. Member Spann seconded. There was no objection.

Mr. Lee said that the next steps would be for the committee to review a completed application, once submitted, followed by legislation through the Common Council process.

B. Kragujevac, Serbia

Stefan Dostanic
Mile Salisich
Rose Sasich
Miso Jovic*

Mr. Dostanic presented. A letter of intent was submitted with St. Sava Serbian Orthodox Cathedral as the local nonprofit sponsor. Both cities were working class cities rich with traditions. There was strong potential for cultural and educational exchanges. Both cities possessed strengths in trade and job growth. There has been 141 years of diplomatic relations.

Member Spann said he knew of local Siberian engineers in Milwaukee and that Kragujevac would be a good European sister city.

Member Durtka said that there was a strong Serbian community in Milwaukee to extend worldwide.

Member Durtka moved approval of the letter of intent and to extend an application to establish a sister city relationship with Kragujevac with St. Sava Serbian Orthodox Cathedral as the local nonprofit sponsor. Member Spann seconded. There was no objection.

Mr. Lee said that the next steps would be for the committee to review a completed application, once submitted, followed by legislation through the Common Council

process.

Mr. Dostanic announced Serbian Days hosted by St. Sava Serbian Orthodox Cathedral from August 25 to 27, 2023.

6. Discussion, review, or updates on sister city relationships.

A. Tema, Ghana

*Appearing:
Isaac Ashun*

Mr. Ashun gave an update. Tema officials were optimistic to visit Milwaukee this December 7 to 17, 2023 to conduct a sister city signing ceremony. They were late to apply for VISAs which caused a delay. Perhaps Tema officials should be given three months to confirm their December travel before there was consideration to do a virtual signing ceremony instead.

Members discussed that the signing ceremony has delayed the sister city relationship to becoming official, for there to be a deadline of August 6, 2023 for Tema officials to confirm their December travel, and for the signing ceremony to become a virtual one should travel remain an issue after August 6, 2023.

A proclamation was made from the Mayor's Office to make May 8, 2023 Ivan Marcelic Day to recognize him for his visit, as a highly regarded citizen from Croatia, and his endeavor to ride his motorcycle along Route 66 in the United States. Chair Stamper attended and presided over the meet-and-greet.

Chair Stamper said the meet-and-greet was a delightful and humorous event (due to his mispronunciations) and that member Spann attended the event later on.

Member Durtka inquired about the adequate supply of food and refreshments.

Mr. Lee said that the plan and marketing would be for light refreshments and food, but there would be the possibility to increase food and refreshments with City resources.

Chair Stamper said he was open to utilize City resources and/or funds toward the event wherever possible to cover any gaps, would set a budget with Clerk staff, and would welcome traditional dress wear and wine at the event.
