Hi, Linda,

Following is the attendance record for the re-appointment of Gloria Marquez to BID #4, which I included in my letter to the Mayor:

31 Board meetings held in the period of her most recent 3-year term (through June 2019)
22 Meetings Attended
9 Excused Absences

Therefore, Linda, she did not have perfect attendance. However, so you know, her new job position as branch manager at the new Regional Finance Branch office in Greenfield probably won't allow her to meet with the CED Committee in November and also probably not December. Just wanted you to know for your agendas. But, hopefully, by January, her new schedule will enable her to attend the January CED Committee meeting.

Please let me know if you have any questions, Linda. Thanks very much for your assistance!

Nancy

Hello – For the Community and Economic Development committee meeting, I need to get total number of meetings held, number attended, number of excused absences and number of unexcused absences for the above individual. Once I get that information, I will contact her about attending the meeting if her attendance record isn't perfect. If it is perfect, no attendance at CED is required.

If their attendance isn't perfect, please provide e-mail addresses for that individual.

Thanks --
