C.I. File No. 09-S-106

Dear Mr. Carini:

When I appeared at my hearing before the Judiciary & Legislative Committee at 1:45 p.m. on May 18, 2009, I was assured by Councilman Ashanti Hamilton that I would be notified as to the disposition of my claim in writing. He stated that they would notify me after another hearing before the city council on May 27, 2009.

I have not received any notification as to the disposition of my claim. I want to pursue this matter in the circuit court. Please provide me with the written notification by first-class mail that I was promised.

Thank you.

Yours truly,
