Re: Extension of Temporary Appointment Request: Karin Tyler

Dear President Bock:

I am writing to formally request an extension of the temporary appointment of Ms. Karin Tyler who currently is severing as the interim Office of Community Wellness and Safety (OCWS) Director. This request is being made retroactively to May 11, 2025 as that is when Ms. Tyler's temporary appointment lapsed, and it was recently brought to the attention of management that the temporary appointment was not extended.

Ms. Tyler has been with the division since 2017, having served in various capacities throughout her tenure. Her extensive background and experience in handling matter related to public safety and wellness have proven invaluable to the division. Due to her unique qualifications and deep understanding of the division's operations this appointment ensured continued stability and effective management within the OCWS. Additionally having Ms. Tyler's leadership allowed us to maintain the high standards of service expected by the department and the community.

As of Monday August 18, 2025, Mayor Johnson announced the new incumbent who will be taking office as of August 25, 2025 we ask that the appointment for Ms. Tyler remains intact until the end of PP 18, 2025 (Saturday, August 30, 2025) to allow for a smooth transition and the ability to get the new incumbent acclimated.

Thank you for your consideration of this request. Should you require any additional information or have any questions, please feel free to contact me at Steven Mahan Administration Deputy Director at 414-286-3842 or via email Steven.Mahan@milwaukee.gov

Best Regards,

Preston Cole
Administration Director
