To the Public Works Committee

Subject: Common Council Resolution File Number 130089

Dear Honorable Members:

Returned herewith is Common Council Resolution File Number 130089, being a resolution to grant a special privilege to Carmelino and Concepcion Capati to construct and maintain a kitchen hood vent in the public right-of-way for the premises at 1125 North Old World Third Street.

The applicants' tenant installed a kitchen hood vent projecting approximately 2 feet 8 inches into the 20-foot wide, east-west alley adjacent to the subject premises. Said 2-foot long vent is centered approximately 147 feet west of Old World Third Street and is more than 10 feet above the adjacent alley pavement grade.

We are not aware that the presence of said kitchen hood vent will have an adverse effect on the general use of the public right-of-way. We have, therefore, prepared the attached special privilege resolution, which, if adopted, will allow said vent to continue to occupy the public right-of-way.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Ghassan Korban  
Commissioner of Public Works

Art Dahlberg
