

On July 18th I was driving down West and thru stop and hit a pot hole. The hubcaps off of my drivers side came off of my car. It also bent my driver side rims, and the ~~rest~~ air was seeking out of the tire due to the bent rim. Braking the seal on the tire. ~~also~~ took ~~the~~ car to dealer. Dealer said I need a front wheel alignment. This is the estimate of damage. \$421.00.
