Mr. Tony Zielinski  
Common Council Administration Manager  
City Clerk's Office  
City Hall, Room 205

Dear Mr. Zielinski:

The Health Department is submitting the following grant resolutions for Common Council approval:

Early Child Care Grant - This resolution amends Common Council File 030688. The Department has received an additional \$270,610 in funding from the U.S. Department of Health and Human Services for the program. The grant will work to assure the health and safety of children who attend group licensed child care centers. Changes to the Positions Ordinance are included in the resolution.

Hepatitis B Immunization Grant - This is continuation funding from the State of Wisconsin Division of Health and Family Services. The grant will assure that pregnant women who test positive for hepatitis B are identified and that their infants and household contacts receive appropriate treatment.

Circle of Friends Grant - This resolution approves the application only for this grant. The goal of the funding is a national movement to highlight women in the United States and to emphasize the importance of a support system for those who want to quit smoking.

All appropriate paperwork is attached. Thank you for your consideration.

Sincerely,

Janet Nell  
Administrative Specialist-Sr.
