

We, the undersigned property owners and business owners support the continuation of the Villard Avenue, Business Improvement District 19.

BID #19 has made every effort to help the businesses on Villard Avenue. They have assisted new businesses and continue to help in getting occupancy, zoning permits and licensing in the area. They have also on occasion attended hearings before the Zoning Board with business owners. They have established a new economic development committee and have met with prospective businesses to bring these businesses into the area.

They are looking at financial opportunities for our existing businesses which includes available loans and grants.

They have sponsored and will continue to sponsor workshops providing business training for existing businesses; informational sessions on how to improve/get façade grants, and numerous other things of interest to the business community.

They also sponsor The Annual Villard Avenue Day Festival and other events to bring the community and business owners together
