resoluti

on relating to the establishment of a semi-permanent household hazardous waste collection facility at the Department of Public Works' Lincoln Avenue Self-Help Center.

Background

The Milwaukee Metropolitan Sewerage District (MMSD) currently collects household hazardous waste at two permanent facilities (one in Franklin and the other in Menomonee Falls) and from mobile collection facilities set up at various locations in Milwaukee County on various dates throughout the year.

Discussion

1. This resolution expresses the Common Council's support for the establishment and operation of a semi-permanent household hazardous waste collection facility at the Department of Public Works' Lincoln Avenue Self-Help Center, 3879 West Lincoln Avenue.
2. This facility will be designed, constructed and operated by the Milwaukee Metropolitan Sewerage District, at no cost to the City.
3. The proposed facility would be operated for an initial period of 3 years and located in a 120-foot-by-50-foot building to be erected at the Lincoln Avenue Self-Help Center.
4. The proposed facility will initially be operated 2 days per week and staffed by MMSD's household hazardous waste collection contractor.
5. The proposed facility will be open to all residents of Milwaukee County, and will be configured such that non-City residents will not be permitted to drop off their trash or recyclables at the Self-Help Center (See Attached Site Plan)
6. The resolution also authorizes and directs the proper City officials to draft and execute the legal documents necessary to allow establishment of the MMSD facility at the Self-Help Center.

FISCAL IMPACT

The resolution has no fiscal impact.
