Re: Gasoline Prices for 6 Months Ending October 4, 2006
Reference: File 060657
An ordinance relating to taxicab rates.

Per request, attached is a graph of gasoline prices (regular) comparing Milwaukee average prices to national average prices over the last six months.

This data is collected in a single database from a network of 173 internet-based reporting sites.

Gasoline prices in Milwaukee during the month prior to passage of 050730 on May 9, 2006 fluctuated generally between \$2.85 and \$3.00.

Average prices for regular gasoline in Milwaukee have dropped continuously from a high of \$3.24 on August 4, 2006 to the present average price of \$2.19 on October 4, 2006.

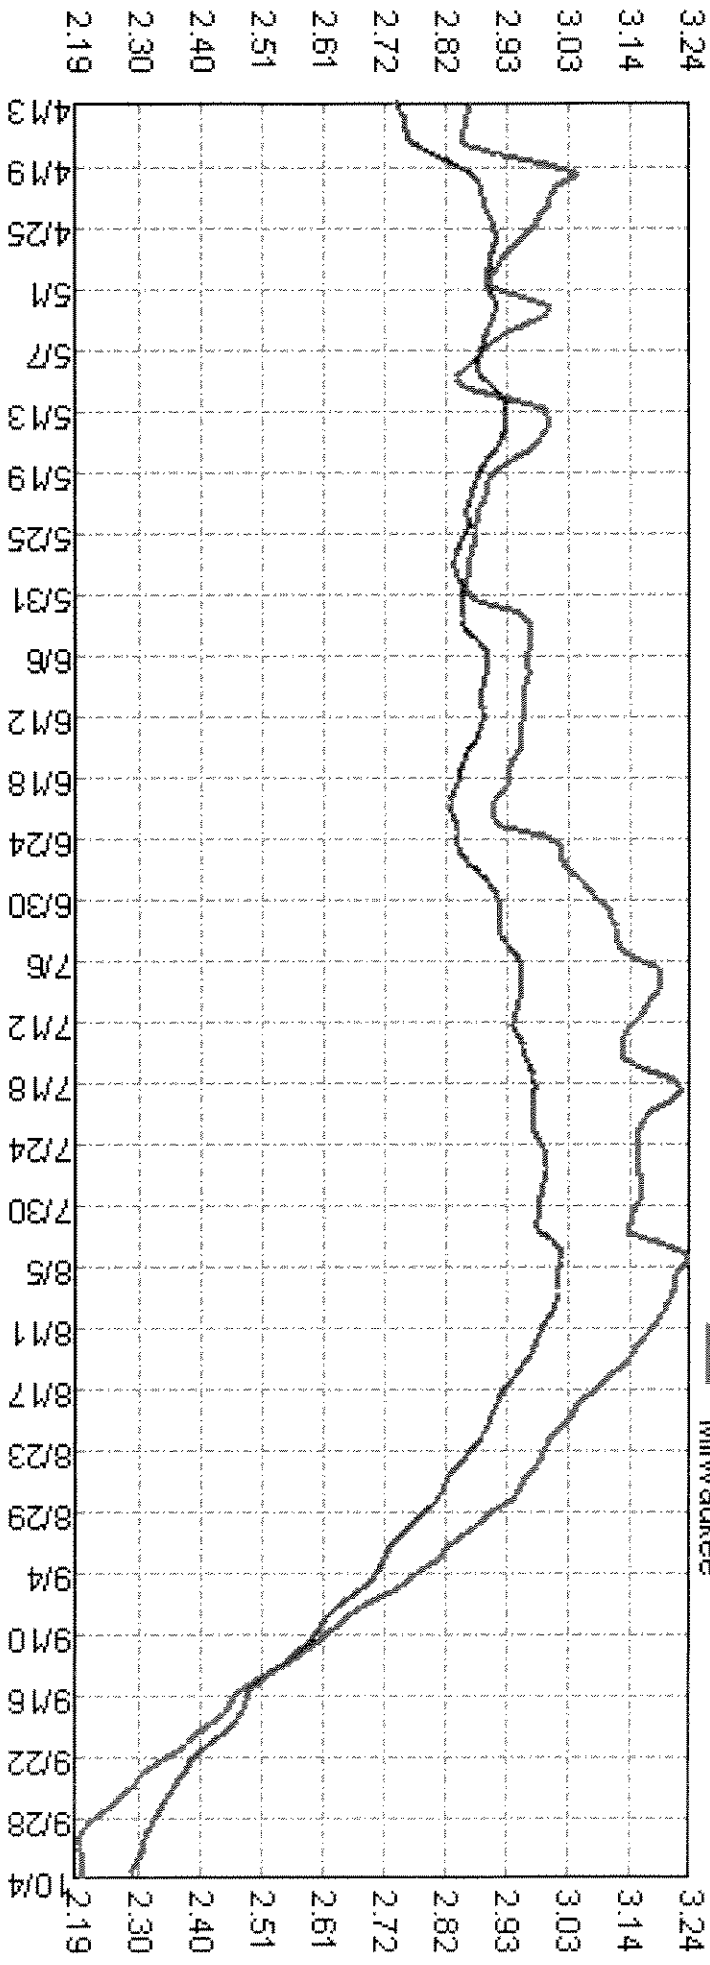

Please let me know if you have further questions.
