Hello,

I tried to submit our comment through the portal but had no luck signing in. Please find below comment for File # 241394, F&P meeting on March 31st at 9am. Thank you.

eComment for File # 241394: Street Angels Inc. is respectfully requesting consideration for the suggested \$65,000 designation from the resources reserved in the Council-Led Transfer Fund. If approved, this funding would be used toward the expense of replacing one of Street Angels mobile outreach buses that is used five days a week to provide access to services for those experiencing unsheltered homelessness in Milwaukee. Street Angels Founding Executive Co-Directors, Eva Welch and Shelly Sarasin, will attend the Finance and Personnel Committee meeting in person on March 31st to address any questions or concerns from Council members regarding this request. Thank you for your consideration of Street Angels programs, and your dedication to the people of Milwaukee.
