Description of Work

Install a/c condenser at side of garage per diagram.

In accordance with the provisions of Section 320-21 (11) and (12) of the Milwaukee Code of Ordinances, the Milwaukee Historic Preservation Commission has issued a certificate of appropriateness for the work listed above. The work was found to be consistent with preservation guidelines.

The following conditions apply to this certificate of appropriateness:

A/C condenser must be hidden from sidewalk users. A short fence or a shrub are common and acceptable solutions.

All work must be done in a craftsman-like manner. Staff must approve any changes or additions to this certificate before work begins. Work that is not completed in accordance with this certificate may be subject to correction orders or citations.
