

July 20, 2005

To the Honorable Common Council
Public Improvements Committee
City of Milwaukee

Dear Committee Members:

Attached is File No. 050241, being a substitute resolution to vacate a portion of a portion of the West Side of North Water Street between East Knapp Street and East Ogden Avenue, in the 6th Aldermanic District. This vacation was requested by Milwaukee County Real Estate to allow for re-alignment of streets for Block 12 as identified in the Park East Redevelopment plan area for future sale and development in the Park East corridor.

The Department of Public Works Coordinated Report contains no stated objections to the proposed vacation and has found that no fees are required for this vacation.

On July 18, 2005, the City Plan Commission heard this item. At that time, no one spoke in opposition to the proposed alley vacation. Since the proposed vacation is not in conflict with city plans, the City Plan Commission at its regular meeting on July 18, 2005, recommended approval of the attached substitute resolution.

Sincerely,

Rocky Marcoux
Executive Secretary
City Plan Commission of Milwaukee
