Re: C. I. File No: 1029-2013-469

Dear Clerk:

I am requesting a hearing in the above mentioned matter, however, in light of the fact that I would be requesting time off from work along with other cost associated thereby, I will be amending the requested amount to cover the additional cost incurred by this incident which will be submitted at the hearing.

Very truly yours,

Attn: Claims

200 E. Wells St. Room 205

Dear Clerk,

I am hereby submitting a claim in an attempt to recuperate cost I incurred by damages to my vehicle caused by a pothole while driving on the city streets.

The incident occurred on January 29th 2013 at around 10:15 am.

I was traveling north bound on North Sherman Blvd, when I reached the intersection of North Sherman Blvd and West Hampton Ave in Milwaukee when I encountered the accident.

My passenger side front tire sustained a puncture on the side wall, which rendered it useless, as side wall punctures cannot be repaired and the only recourse is to replace it.

I have submitted two estimates as required, and the individual replacement cost is highlighted on both.

Your immediate response to this matter would be greatly appreciated.

Sincerely,

Rodney Bradley
