RE: C.I. File No: 04-S-123

I am writing this letter to appeal the city's decision to refuse my claim for the occurrence at my residence on March 16, 2004 where a basement window and supporting frame was damaged. The city of Milwaukee failed to notify either my sister or myself to the damage that occurred at our residence due to the city's capture of a suspect. As a result of their negligence, I feel it is the city of Milwaukee's responsibility to pay for the cost of the repair to our property in the amount of \$235.00. I am hereby formally requesting a hearing to appeal the city's decision to deny my claim to the damage done to our property by the city of Milwaukee's Police Department.

Very truly yours,

CHERYL L. TAYLOR

Note: Attempted to have the glass & portions of the wooden frame replaced without success. Companies would not come out to give an estimate for 1 basement window, they wanted a minimum of 3 windows before they would come, but for a free estimate, also. the entire window would have to be brought and reframed at Lisbon's window and storm. So ~~cheapest route was for a block window to be inserted.~~ Cheryl Taylor
