Public hearing on proposed improvements and special assessments

Hello Alderwoman Coggs,

I hope you are well

I am writing in regard to the May 12 traffic calming bumps hearing. In an earlier response I replied by postcard that I preferred a round about traffic construction. However I was notified by an attendee at the April 14 meeting (which I was regrettably not able to attend due to teaching responsibilities) that the majority preferred speed calming bumps. I have also been made aware that the cost of these bumps will be very prohibitive for some residents, and that additional stop signs would be a viable and less costly option. I am still unable to attend on May 12, but I would be in support of stop signs in order to achieve reduced traffic speeds and prevent undue hardship on my neighbors subject to increased billing or taxing in this matter.

Thanks for your attention and work in this matter,

Peace,
