Re: Commissioner Rocky Marcoux

Dear President Hamilton:

I am writing this letter to express our strong support for the re-appointment of Rocky Marcoux as the Commissioner of the Department of City Development. Rocky has done an incredible job acting as a cheerleader for our city and a facilitator of projects. Over the last 4 years, he has become an even more energetic and proud city representative. He has put in countless hours working on behalf of all our people and areas. The result is a booming downtown and an improving neighborhood scene. He has done this in a fair and confidential way. What is particularly unique is his openness to innovative projects in our downtown and our neighborhoods. He is always there in a cooperative and encouraging way.

We need to keep Rocky on our team. It would be a very serious mistake to change leaders in the middle of a winning game. Thank you for your consideration of this matter.

Sincerely,

Gary Grunau  
Chairman  
Milwaukee Riverwalk District
