NOTICE OF PUBLIC HEARING

CITY OF MILWAUKEE - City Plan Commission
809 North Broadway
Milwaukee, Wisconsin

May 27, 2026

PLEASE NOTE: This hearing relates to the property within the boundary shown on the map on the reverse side of this notice. If your property is not within the zoning boundary, then you are receiving this notice because your property address is within 250 feet of the subject site.

PERSON OF INTEREST:

The Common Council has referred File No. 252190 to the City Plan Commission for recommendation. This file relates to the change in zoning from General Planned Development to a new Detailed Planned Development (DPD) known as The Everett to allow a multi-family residential development on the property located at 234 South Water Street, on the east side of South Water Street, south of East Pittsburgh Avenue, in the 12th Aldermanic District.

In 2019, a DPD known as Admiral's Wharf was approved for the subject site to allow construction of an 11-story mixed-use residential building with limited first floor commercial space. That project did not move forward and a new developer, Kaeding Development Group, is proposing to rezone the site to a new DPD to allow a new development that entails a 12-story, 200-unit multi-family residential building with 198 indoor parking spaces. This site is also within the Riverwalk Site Plan Review Overlay Zone, and plans for a new Riverwalk segment will also be considered by the City Plan Commission. **Please refer to the reverse side of this notice for map details.**
