To the Honorable, the Common Council

Subject: West Hampton Avenue (CTH EE) –  
North Lovers Lane Road (STH 100) to  
North 92<sup>nd</sup> Street

Dear Council Members:

Milwaukee County's Department of Public Works has programmed the improvement of West Hampton Avenue (CTH EE) from North Lovers Lane Road (STH 100) to North 92<sup>nd</sup> Street for the summer of 2008.

Milwaukee County has submitted an agreement to the City of Milwaukee for the cost of items requested by the City to be included in the paving project. Non assessable costs are included in the agreement. Total cost of the County project is estimated at \$2,500,000.00 with the City of Milwaukee's share of construction costs to be \$46,345.00.

The City of Milwaukee's engineering costs for plan review will be funded 100 percent by the City and are estimated at \$10,000.00.

We have prepared and recommend adoption of the attached resolution authorizing the Commissioner of Public Works to execute a Cost Sharing Agreement with Milwaukee County for the City of Milwaukee's estimated share of the project's construction costs. In addition, this resolution also authorizes the City Comptroller to establish the necessary sub account for the City of Milwaukee's estimated cost for plan review for this project.

Very truly yours,

Jeffrey S. Polenske, P.E.  
City Engineer

Jeffrey J. Mantes  
Commissioner of Public Works
