**C. NO. 100
FILE NUMBER 051460**

**OFFICIAL NOTICE
Published by Authority of
the Common Council of the
City of Milwaukee
Office of the City Clerk**

Notice is hereby given that an ordinance (passage of which is now pending) was introduced at the February 28, 2006 meeting of the Milwaukee Common Council, the essence of which is as follows:

Resolution amending the Third Ward Neighborhood Comprehensive Plan to change recommended building heights in part of the 4th Aldermanic District.

Whereas The Common Council of the City of Milwaukee adopted File No. 041781 on April 12, 2005, which approved the Third Ward Neighborhood Comprehensive Plan ("Plan") as an element of Milwaukee's Overall Comprehensive Plan; and

Whereas, The Plan sets forth recommendations for land uses, urban design and redevelopment strategies that are based on a synthesis of analysis and public involvement; and

Whereas, The Plan states in the first paragraph under the subheading "Buildings" in Chapter III: Neighborhood Land Use Strategies and Policies, Section 3.1 Overall Strategies and Policies (Applies to all Land Uses), Subsection C. Form Policies, that "Multi-story buildings with a minimum height of 30 feet should be required. A maximum height greater than the width of the fronting street right-of-way should be prohibited. Stated alternatively, the ratio of building height to street width should not exceed 1:1. This recommendation is consistent with the Historic Third Ward Design Guidelines;" and

Whereas, The Plan identifies Area A - Historic Third Ward District as one of six districts within the neighborhood that pose unique opportunities and provides specialized recommendations for each; and

Whereas, Since 1990, "Design Guidelines for the Historic Third Ward District" have provided flexibility while maintaining a general continuity of height at the street edge and harmony of street spaces by stating, "The height of street facades within the Historic District shall be contained within the range of 70% to 130% of adjacent building heights but not less than three stories (30 feet);" and

Whereas, Stakeholders in the neighborhood, including the Architectural Review Board, have said that the cited paragraph in the Plan unnecessarily restricts flexibility that has existed since the adoption of the 1990 Design Guidelines; and

Whereas, From time-to-time as conditions change and development opportunities present themselves, the City considers amending its comprehensive plans at the request of developers, landowners and elected officials; and

Whereas, On September 21, 2005, the Common Council adopted File No. 040565, setting forth an Evaluation, Update and Amendment Procedure for amending comprehensive plans; and

Whereas, That procedure, including a properly noticed public hearing, has been complied with; now, therefore, be

Resolved, That the Common Council of the City of Milwaukee, approves the amendment of the Third Ward Neighborhood Comprehensive Plan so that the first paragraph under the subheading "Buildings" in Chapter III: Neighborhood Land Use Strategies and Policies, Section 3.1 Overall Strategies and Policies (Applies to all Land Uses), Subsection C. Form Policies, is deleted and replaced with the following text:

"In Area A - Historic Third Ward District, heights of new buildings should be comparable to that of adjacent historic buildings in a manner further specified in 'The Historic Third Ward Neighborhood Design Guidelines 2006 Edition.' Elsewhere, multi-story buildings with a minimum of 30 feet should be required and a maximum height greater than the width of the fronting street right-of-way is not recommended. Stated alternatively, the ratio of building height to street width should not exceed 1:1"

; and, be it
Further Resolved, That the Commissioner of the Department of City Development is authorized and directed to send copies of the amended Plan to the parties identified in it as having responsibility for implementation of the Plan for their reference and use.

Notice is hereby further given that the foregoing matter will be given a public hearing by the Committee on Zoning, Neighborhoods and Development in Room 301B, City Hall, 200 East Wells Street, Milwaukee, Wisconsin, on Wednesday, April 5, 2006 at 9:00 A.M., pursuant to the provision of Sub-Section (7)(d) of Section 62.23 of the Revised Statutes of the State of Wisconsin.
