CITY OF MILWAUKEE
2023 APR 19 PM 1:05
CITY CLERK'S OFFICE

On March 10, 2023, between the hours of 5:00am and 6:45am a very large tree branch weighed down by the heavy snowfall from the night before fell on top of our only work truck a 2017 Dodge Ram 1500 located in the cal du sac in the front of 9250 W. Elmore Court. This is directly across from our home and business office.

The city workers came to cut down and clear away the fallen tree branch a few hours later and left the claim filing sheet in our mailbox.

Two estimates were obtained as required per city claim filing process as well an estimate for the rental of a truck for 30 days.

Our work truck is no longer safe to drive as the cracks in the windshield are extensive and obstructs the drivers view. We are seeking payment minimum of \$7171.00. This covers the cost of repairs to the truck as well as a truck rental while we await the city's completion of this claim and during the repairs so that we can continue to operate our business. and it not be adversely impacted.

The delay in this being filed was due me, Kimberly Wilson, being pregnant in third trimester experiencing pregnancy complications then subsequently a premature delivery with subsequent and still present healing and recovery.

Our company, Kingdom Contracting is an exterior contractor in the greater Milwaukee and surrounding areas (HICL license info attached) of which our work truck is needed to transport materials and manage our homeowners projects. If we do not have a work truck in essence we cannot work.

For additional questions, I may be contacted on my personal cell phone at (414) 801-1314 or office (262) 977-7733 ext 2, or email at kim.wilson@kingdomext.com.

Thank you, we look forward to a swift response and fulfillment of this claim.

Sincerely,

Kimberely M. Wilson

Co-Owner, Kingdom Contracting
