Thanks for writing! I will consider your support when this comes before us for a vote. You may also submit testimony and questions about testifying at ZND to the committee clerk, Chris Lee, at [clee@milwaukee.gov](mailto:clee@milwaukee.gov). I am including him here so he can add your support to the file. I might have 15 minutes between meetings tomorrow afternoon, but I unfortunately can't promise I will. What's your phone number just in case?

**Subject:** Puddlers' Cottages District

Good morning Marina,

I'm a constituent of yours, and I wanted to reach out to express my support for designating the Puddlers' Cottages as a local historic district. I understand the issue was unanimously approved by the Historic Preservation Commission and is coming to a vote before the Zoning and Neighborhood Development Committee. I believe designation of the district would be a net positive for BayView and the City in many ways, not the least of which is preserving affordable working-class housing that was constructed specifically for the workers who originally helped to build our neighborhood.

I would love to meet with you briefly to discuss why designation would be a boon for our neighborhood if you have any time available before the ZND meeting.

Thanks,  
John Rothe
